

School Community Council Meeting Minutes—Sept. 27, 2016

Announcement—Training Meeting on Oct. 11 from 12-3 at the District Office

Katie nominated Julie to be the Chair, seconded by Geo. Voting was unanimous.

Council voted to add a meeting on Oct. 18.

Comprehensive Needs Assessment:

School is doing well. Received a B grade this year. Last year we were an A school. State School Board arbitrarily docked 5% points from all schools, dropping grades on almost all schools. Our school is an A school before the docking of points.

STRWEAMS process is going well. Those students who started with the process in Kindergarten are now stronger academically than those who didn't get it.

Trust Lands Funds Amount for the 2016-2017 year: \$67,252. This is more than expected, so we are looking to add funds for magazine subscriptions, and increase the funds for art supplies from \$400 to \$1,500. We talked of delegating the job of buying the art supplies to the Fine Arts Teachers.
