**2016-2017 Plan—Amended**

Paid for Daily 5 Implementation, 2<sup>nd</sup> grade intern, 3<sup>rd</sup> grade teacher, and paper trimmer

Want to buy: Chrome books and cart for an entire class, puts us over budget a bit. Geo can use school funds to cover the gap.

SCC can't fund art supplies this year, but Geo has some funds he can use.

Amended plan is approved unanimously.

Geo will email the district person the amended plan.

New parking lot flow is the best we've had. Arrows should be painted over Fall Break.

Next meeting, in preparation for the plan, Geo will bring data on the scores and behavior to help us set the goals, and ask the teachers what they need and would like.
